Are you doing it? Do you progress?

Announces For Governor.

In the following unique card, Hon. Max Hanberry, a prominent member of the Cadiz bar, formally announces his candidacy for Governor of Kentucky:

Having stood for many years for "equal rights to all and exclusive privileges to none," (not even barring the women), and all these years having advocated five cardinal principles, and these being so well known to most of the people if not all, and owing to the great, terrific and irresistible pressure brought to bear on me, and owing to the further fact that even Gus Willson has once been elected Governor, though knowing as I do that it will be a great sacrifice personally and financially to accept this responsible position; yet, owing to this great pressure, I have decided to accept it. In fact, I see no possible way to avoid it; and now, in order that none may misunderstand my position, I will one more time make myself clear.

First—I am unalterably in favor of giving every "yellow dog" Democrat a lucrative office—one which will be remunerative enough to keep him from want, exertion, and worry.

Second—I am in favor of giving every white Republican (especially those who voted for Gus Willson and still remain loyal to their party) a pension, same to be ample to keep the wolf from the door without effort or care on his part.

Third—I am in favor of giving every negro voter a watermelon patch, a mule and a fish pond, with imported labor to handle his mule and cultivate the melons, free of care or cost to him.

Fourth—I am in favor of and will give every married woman a 40-horse-power automobile of their own selection, and two hats each every year as large as any turban wheel now in use for the operation of any grist mill in the State of not more than 600 barrels capacity, together with a half ton of chewing gum for each one annually, and will grant each one the exquisite privilege of saying anything she may see fit to say about her neighbor, no odds how slanderous, without fear or hindrance, either of law or equity. Of course, it goes without saying that every girl and single woman in all of the Commonwealth is to have a wicked phanton and a spotted pony without cost or care.

So with some degree of impatience, not on my own account, however, but on account of the "dear people," I await my inaugural.

MAX HANBERRY.

CHICAGO JEWELRY STORE ROBBED.

In Broad Day Light—\$25,000 Haul

Chicago, May 10.—Four armed robbers held up the jewelry store of Edward Alberti, on Milwaukee avenue, in the Northwest Side business section, forced Alberti and his clerks into a back room and robbed the store of diamonds and watches valued at \$25,000. The men remained in the store for a quarter of an hour, then entered a big automobile and away just as a patrol wagon full of policemen, summoned by a passerby, drove up to the store. Visitors, including customers, and Norman Strass, who entered the store while the robbers were at work, were ordered into the back room at the point of a pistol, robbed and tied up with Alberti and the clerks. Strass' sample case added \$12,000 to the loot. In all, nine persons were tied in the room when the police arrived.

STEAMSHIP GOES DOWN AT SEA

ALL PASSENGERS AND
MAILS SAVED.

Distress signals flashed through fog

Tokio, May 9.—The Pacific Mail steamship, Asia, from Hong Kong for San Francisco, has sunk off Finger Rock, South China. The passengers are reported rescued and the mails saved.

The Asia sailed from Hong Kong Friday and was due in San Francisco May 19. She operated regularly between those ports and was commanded by H. Gaukroyer. The vessel was built in 1883 and registered a little less than 5,000 tons gross.

Finger Rock is a remarkable projection from the Heau Chu islet, the southern of Talchau group of islands, which lie about 200 miles south of Shanghai.

The ship was on her way to Shanghai, which was her regular port of call.

The Asia struck Sunday morning while feeling her way cautiously through a thick fog, in the direction of Shanghai. Her wireless signals of distress were picked up by the steamer America of the Toyo Kisen Company, which was enroute from Shanghai for Hong Kong. The latter vessel immediately replied:

"We are coming to your assistance." No further message was received by the American, which pushed hard in the direction of the Asia.

The America arrived off Finger Rock at 3 o'clock yesterday

afternoon, but owing to the fog, which continued heavy, was unable to discover the whereabouts of the distressed steamer.

The America laid to until the weather cleared, when she found that the Chinese vessel Shang-Sin of the Taku Steamship Co., had gone to the aid of the Asia and rescued her passengers.

The latest report received by the agent of the Pacific Mail steamship line at Yokohama says that the Asia was sunk, but that it is believed the passengers with the mails were all saved.

New York, April 25.—Survivors of the wrecked steamship Asia report at Shanghai they were attacked by pirates. The captain stood by his ship and fired 500 rounds.

A. H. Fritts, Deopot St., Marion Ky., says: "I know Doan's Kidney Pills to be an effective and reliable kidney remedy. For some time I had lameness in my back and pains caught me when I arose from a stooped position. The kidney secretions were also irregular in passage and I felt miserable in every way. Doan's Kidney Pills, procured at Haynes & Taylor's drug store, were prompt in relieving me of all those annoyances. I have no hesitation in giving this remedy my highest endorsement."

Do Ghosts Haunt Swamps?

No, Never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous and lowlands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only 50 cents at Haynes & Taylor's and Jas. H. Orme's drug store, Marion, Ky.
